AI INTERVIEWS FOR HIRING TEAMS

Your AI interviewer.

Every candidate interviewed.
Every score explained.

Live voice interview

15 languages & accents

Report in minutes

THE PROBLEM

One recruiter. Endless screening calls.

500 to 10,000+ applicants means weeks of first-round calls. The best candidates don't wait that long.

Weeks
of first-round calls

Uneven
notes from call to call

Lost
candidates who won't wait

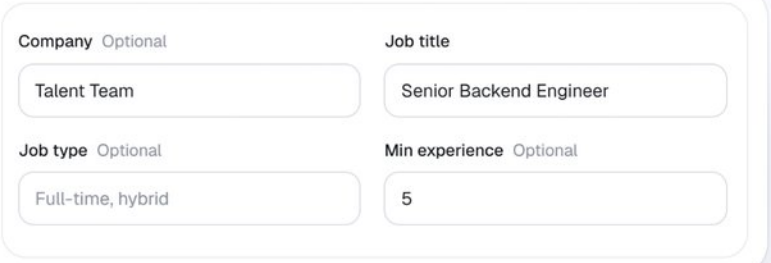

HOW IT WORKS

From job post to shortlist.

01

Describe the role.

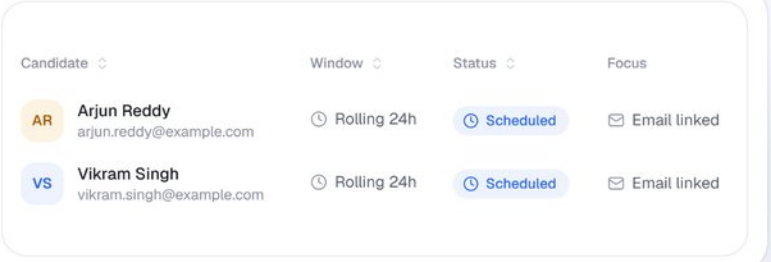

AI drafts the full job description.
